THIS is a Roll of Honor in the Service of Foreign Missions. It bears the names of those men who, in whole or in part, received their preparation for that service in the schools of Colgate University. A Roll of Honor cannot be a biography. It cannot give details of heroism and sacrifice. The General Catalogue of the University will offer more information, and the annals of Missionary Societies will give ampler knowledge. These pages are only Tablets, and together they form a part of the record of the sons of the University in the service of mankind.

The American Baptist Missionary Union up to the year 1865 regarded the North American Indians as rightly under its care, and in the annals of the University missionaries to the Indians were reckoned as Foreign Missionaries. For obvious reasons these missionaries are not among those mentioned in the preceding pages. Their names and records are as follows:

Evan Tucker	Class 1824	Service 1843-1845
Jesse Elliot	1826	1826-1827
Lemuel Stannard*	1827	1827-1828
Samuel Aldrich*	1837	1834-1835
Charles R. Kellam	1836	1836-1840
Ambler Edson	1838	1839-1841
James O. Mason	1836	1838-1840
William H. Husted	1844	1863-1867
Adoniram J. Bingham†	1846	1848-1850
John B. Jones	1852	{ 1855-1860 1866-1872
